Color-coded caps for storage and prep. Our caps fit snug and stay secure; even in fast-paced, harsh speed rail and bar environments.

View our video on all the benefits of the PourMaster® Series

Integrated spout is easier to clean than traditional two-piece neck/spouts

Oval neck with textured step design provides better ergonomics—making gripping, holding, lifting, and pouring safer and easier than the competitors' smooth round design

Features ridges on the base of the neck to give positive grip when tightening or loosening the neck

Thicker thread with improved design and greater overlap for superior hold and leak protection

Integrated vent for fast, smooth pours

## POURMASTER® SERIES

- Easy-pour bottles with clog-resistant spouts for mixers and juices
- Color-coded for easy identification and quick selection at busy times
- Assorted packs include 2 of each color

## POURMASTER® ONE-PIECE NECK/SPOUT

- Integrated spout is easier to clean than traditional two-piece neck/spouts and no spout to lose, break or get clogged
- Color-coded for easy identification and quick selection at busy times
- Oval neck with textured step design provides better ergonomics
- Easy-pour bottles with clog-resistant spouts for mixers and juices
- Thicker thread, improved design with greater overlap for superior hold and leak protection
- Assorted packs include 2 of each color
- Necks are cross-compatible—our necks are interchangeable with most competitors' jars
