COMMERCIAL JUICER & CITRUS SQUEEZERS 2023

COMMERCIAL JUICE PRESS

This highly efficient 3-pinion design is made to commercial standards, using maximum pressure with minimum Squeeze™ is constructed from durable cast iron, providing years of use with little maintenance. The long, ergonomic handle with rubber grip makes juicing easy; withstanding up to 2300 PSI. Durable 18-8 Stainless Steel press constrains the most out of our citrus while filtering out pits and pulp. The Cast Iron base with suction cup feet provides stability while in use on the bar.

- Accommodates 5 7/8" glass
- Features corrosion resistant press that maximizes juices while reducing pulp and seeds
- Hand wash recommended
- Conveniently packaged for Cash & Carry

CITRUS SQUEEZERS

- Handheld juicing tool, ideal for citrus fruits
- Color-coded for intended use
- Features a built in draining spout to eliminate seeds
