TOUCHLESS FAUCETS

Upgrade your TableCraft beverage dispenser with our new touchless faucets that provide sanitary, no contact dispensing. Hands free faucets are a great way to help reduce the risk of contamination; limiting the number of things your patrons touch. Touchless dispensing options allow you to keep your employees, patrons and operation safe and clean while earning the trust of your customers.

- Simple, push designs are convenient, clean and easy to use
- Great for self-serve beverage serving options without the risk of repeated hand contact
