# VINYL-COATED TONGS

**HEAT SAFE**  
UP TO 330°F

X-ray image shows unique spring steel V-shaped hinge

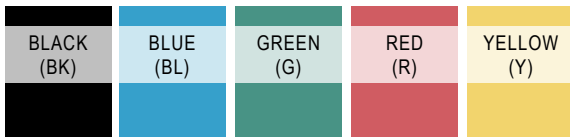

Utility / scalloped grip

Permanently bonded coating eliminates bacteria-prone food traps

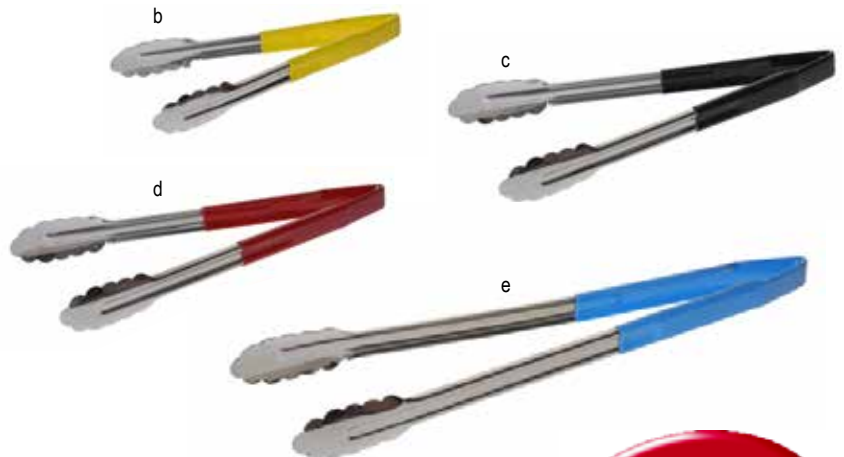

- Available in three sizes: 9½", 12 & 16"
- Vinyl handle, 20 gauge Stainless Steel with a mirror finish
- V-shape spring steel hinge provides better durability, control and memory than previous keyhole hinge tongs, to prevent food breakage and pinching of the skin
- Permanently bonded handle eliminates bacteria-prone food traps - will not slip or peel off
- Color-coded handles provide easy identification for controlled food contact. Ideal for maximizing your HACCP program
- Provides cool, comfortable grip
- Backed by third party lab testing, our tongs are safe for continuous functional use up to 330°F. Please note that vinyl handle color may change slightly if exposed to temperatures above 212°F for longer than 12 hours
- Independently tested to meet FDA, Reach and Prop 65 standards
- 100% Lead and Phthalate free
- Dishwasher safe
